HELPING PRACTICES BUILD
MORE THAN PATIENT LOYALTY

CHOLESTSURE™

Comprehensive Formula Locks in Healthy Lipid Levels*

- Supports cholesterol and triglyceride levels within the normal range*
- Promotes healthy blood flow*
- Maintains HDL "good" cholesterol in the normal range*
- Encourages normal blood viscosity*
- Protects against everyday wear and tear*

Healthy aging depends on a healthy heart and a well-functioning circulatory system, where blood flows smoothly and arteries are strong, yet flexible. Supporting healthy blood flow and cholesterol levels already in the normal range are two of the most important heart-healthy goals.*

Supports Cholesterol Already in the Normal Range*

Important ingredients in CholestSure™ include red yeast rice, a whole food made from dried fermented rice, and artichoke leaf extract.* Red yeast rice has been used for centuries in China as food and as a remedy. Red yeast rice and artichoke naturally maintain cholesterol levels already within normal ranges.* Artichoke leaf extract balances activity of the enzyme responsible for maintaining normal cholesterol.*

CholestSure™ also contains phytosterols, plant steroid alcohols that block the over-absorption of cholesterol.* The policosanol in CholestSure™ maintains healthy cholesterol synthesis in the liver.* Policosanol and guggul lipids protect against lipid peroxidation, a process where lipids in the body become rancid and cause damage.*

Maintains Healthy Levels of Good Cholesterol*

Policosanol maintains high-density lipoprotein (HDL) "good" cholesterol in the normal range.* Chromium is also included in CholestSure™ because it supports healthy blood sugar and promotes normal HDL-to-LDL ratios.*

Healthy Blood Flow and Viscosity*

Red yeast rice has been used in China for improving blood circulation for over 1,000 years.* Policosanol promotes smooth blood flow and normal blood pressure.* CholestSure™ also contains coenzyme Q10 (CoQ10), critical for cellular energy and found in high levels in the heart.* CoQ10 blocks everyday wear and tear, known as oxidative stress, making for a resilient and strong cardiovascular system.*

CholestSure™ Is Recommended For:

- Cardiovascular health*
- Maintaining cholesterol in the normal ranges*
- Optimum blood lipids*
- A calm immune response in the blood vessels*
- Improving circulation*
- Protection against free radicals*
- Healthy aging*

Suggested Use: As a dietary supplement, take 3 capsules daily with food. The daily amount can be divided between AM and PM, or as directed by your healthcare practitioner.

Supplement Facts

Serving Size 3 Capsules
Servings Per Container 30

Amount Per Serving	% Daily Value
Chromium (as Chromium Polynicotinate) 200 mcg	571%
Red Yeast Rice 600 mg	*
Policosanols (from Sugar Cane) 20 mg	*
Phytosterols Complex 500 mg	*
Yielding: total phytosterols 450 mg	
Beta sitosterol 180 mg	
Campesterol 90 mg	
Stigmasterol 66 mg	
Coenzyme Q10 20 mg	*
Guggul Lipids Powder 200 mg	*
Artichoke (leaf) Extract 100 mg	*

*Daily Value not established.

Other ingredients: rice flour, hypromellose (capsule), vegetarian leucine.
